

FARM SHEDS THE WAY YOU WANT 'EM

STANDARD OPEN LEAN-TO

STANDARD OPEN GABLE

ENCLOSED GABLE

AMERICAN STYLE BARN

Why be stuck with an off-the-shelf pole shed when the specialists at ITM can tailor a design to suit your specs. All sheds are engineered to withstand New Zealand conditions and come supplied with detailed engineering plans and construction drawings.

Our friendly staff can even put you in touch with a local builder.

So for your new shed, come in for a quote and talk to the specialists at ITM today.
