Winning the prize

- The prize draw will be conducted on 23 November 2022 at ITM's Support Office. The Winner will be determined by placing all valid entries, by region, into a random generated selector. The first randomly generated entry per region will be deemed the winners of the promotion.
- The winners will be notified by email or phone within 3 days of completion of the prize draw via the email address or phone number provided to ITM at the time of entry into the Promotion and must be available for the preparation of all publicity that may be required by ITM.
- Where attempts to contact the winners fail (e.g. when the winners cannot be contacted by phone after three attempts within 48 hours), the winners will be deemed to have forfeited the prize and ITM will redraw an alternate winner from among all remaining eligible entries. These Rules apply to a redraw winner as if they were the original winner.
- The Prize is not redeemable for cash or transferable.
- ITM is not responsible for any notification that is misdirected or lost, or if the winner cannot be contacted due to incorrect details being provided on the trade account associated with the winner's winning entry (or for any other reason).
- In the event that the prize (or any part of the prize) becomes unavailable for any reason ITM may substitute the prize with a prize of equal or greater value.
- The winner takes the prize entirely at his/her/its own risk and indemnifies ITM in respect of any claim for any accident, injury, property damage or loss of life and any other loss, harm, damage, cost or expense that may occur in connection with the prize.
- All invoices relating to the Qualifying Spend must be paid by the winner on or before the dates specified by the relevant ITM store, otherwise the prize is forfeited by the winner. The winner may only claim the prize if payment of all invoices issued to the winner or any trade account associated with the winner by any ITM store are up-to-date. In addition, if any such invoices are overdue at any time between the commencement of the promotional period and the time the prize is redeemed, the prize is forfeited by the winner.
- The winner is solely responsible for any taxes and other costs which may be payable as a consequence of receiving the prize and is advised to seek independent advice.
